Reference: C00422964, Amended 12 Day Pre-Primary Report (10/1/07 - 1/23/08), received 4/1/08

Dear Ms. Hough,

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice requests additional information regarding gross receipts disclosed in the Form 3Z-1. We acknowledge that the gross receipts were underestimated in this report because we reflected only the gross receipts for the reporting period (10/1/07-1/23/2008) instead of the gross receipts for the election cycle to date. This was an oversight on our part, and we will submit an amended report to correct it.

If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer  
Donna Edwards for Congress
